

ATHLETIC TRYOUTS

The first formal tryout date for Fall sports is no sooner than Thursday, August 23, 2007. The exception is Varsity Football (see schedule below).

Physical examination policy: Any student wishing to participate in the Lincoln-Sudbury athletic program must have a physical exam within 13 months of the beginning of the season. Proof of this exam must be on file **with the Health Office** prior to the start of tryouts. Physicals dated May 10, 2006 or after will work for all three sports seasons. Students who are medically excused from Wellness classes may not participate in the athletic program for the duration of the excuse.

The L-S Emergency Card for Athletes and the Permission to Participate Form are included in this mailing or can be found at lsrhs.net/athletics. Both should be returned to the Athletic Office if a student plans to participate in any sport during the 2007-2008 school year.

User Fee: A user fee of **\$165** will be charged each athlete per season.

1. The fee must be paid by check to Lincoln-Sudbury Regional High School.
2. The fee must be paid before the athlete may tryout. **(Please do not mail.)**
3. All user fees will be collected by the athletic director.
4. Refunds: Requests for refunds must be made directly to the athletic director.
Guidelines for refunds will be:
 - a. We cannot ensure that all students will make the team. If an athlete is cut from the squad following the tryout period, the user fee will be refunded.
 - b. If an athlete suffers a season-ending injury prior to or during the first regular season contest.
5. There will be no refunds:
 - a. If an athlete quits, at any time, there will be no refund.
 - b. If an athlete is removed from the team for any school or MIAA rule violation, there will be no refund.
6. Playing Time: Payment of the user fee will in no way influence the amount of playing time an individual athlete receives. It will be up to each coach's discretion to determine the amount of playing time an athlete receives, as has always been our policy. Playing time is not negotiable
7. Financial Assistance: Financial assistance will be available in cases of hardship. Students or their parents should contact the athletic director.
8. Collection Schedule: The athletic director's office will be open to collect fees and forms on:

Thursday, August 23	9:00 am - 12:00 pm
Friday, August 24	9:00 am - 12:00 pm
Monday, August 27	7:00 am - 2:00 pm

Academic Eligibility: Student/athletes must be enrolled in a minimum of 4 major subjects or the equivalent. A student/athlete must also have achieved a passing grade in at least 4 major subjects, or equivalent, during the marking period preceding the athletic contest. Incomplete grades may not be counted toward eligibility. Academic eligibility shall be considered official when report cards are issued. Changes after that date do not count toward eligibility.

Chemical Health MIAA Rule 62 (Chemical Health): A student shall not, regardless of the quantity, use or consume, possess, buy/sell or give away any beverage containing alcohol; any tobacco product; marijuana; steroids; or any controlled substance. The penalty for the first violation is loss of eligibility for 25% of interscholastic contests of the season. The second violation will be loss of eligibility for 60% of all interscholastic contests of the season. The Chemical Health Rule has been extended to be inclusive of the period from: the first allowable day of fall practice, through the end of the academic year or final athletic competition of the year, whichever is later. (Broadening this window from "in season" to the entire academic year reflects that chemical health of our students is not simply a seasonal concern.) It is not a violation for a student to be in possession of a legally defined drug specifically prescribed for the student's own use by his/her doctor.

Attendance: In order to participate in extracurricular activities, an athlete must attend scheduled classes on the day of the contest. If an athlete is absent on Friday, he/she may not play in weekend contests.

School Vacation Policy - The Dual County League often schedules contests over school vacation weeks. The primary reasons for this include scheduling needs, and conditioning/training principles. Each season is limited to a certain period of weeks, and it becomes necessary to compete and practice over vacations in order to safely complete schedules. The weather has a major effect on schedules, particularly in the spring, and using the vacation week helps to prevent weeks consisting of four or five makeup games. It is also important to note that student-athletes must regularly train and practice in order for a team to progress. When students take a week off, they lose valuable conditioning and instruction time. This results in loss of information such as strategies and tactics. It is also possible that a student-athlete may suffer an injury due to lack of conditioning.

The Dual County League policy regarding April vacation allows students flexibility for part of the April vacation. These dates are determined in the fall. During this time, no contests are scheduled, and practices are optional. Although practices are optional during this time, they will be conducted. Students who are best prepared will, therefore, receive more playing time during the games that follow this time period. Please note that there are no 9th grade teams with obligations during the vacation. However, if a 9th grader makes a junior varsity or varsity team, there will be obligations, starting on the Wednesday of the April vacation.

All L-S athletes who have contests scheduled over school vacations will be expected to attend all scheduled practices and contests during that week. Those students who do make a team, and then choose to go away during the vacation (other than the April vacation grace period discussed above) will have to adhere to the following policies.

Varsity student-athletes who miss April vacation contests will be suspended from contests during the week that follows. However, they will be expected to practice and attend all contests. This policy may be more flexible with regards to Junior Varsity student-athletes. Varsity student-athletes who are absent for part of a vacation will not compete in contests for part of the following week (for example, if a student misses one game, he/she will be suspended from the next game). This will be determined by the coach. In general, students who choose to go away, and miss part of their season, will lose playing privileges to students who are at practices and games throughout the vacation.
