

## LSRHS School Council: School Improvement Plan 2015-16

[School Councils](#) were created by the 1993 MA Ed Reform law. The law charges School Councils with the duties of approving changes to the discipline code, reviewing the budget, discussing the goals of the school, evaluating the needs of the school, and collaborating on an annual school improvement plan, which they must submit to the School Committee for approval.

The School Council meets once per month in the LSRHS Conference Room A. Meetings are open to the public. School Council subcommittees meet on an as needed basis to complete their assigned tasks.
