

Food Service Reopening - COVID Measures

In partnership with Aramark, Lincoln Sudbury Regional School District has made a number of modifications to our operation to food safety and sanitation protocols set forth by the CDC, USDA, Department of Health and DESE guidance. All Food Service staff will always be required to wear a mask and gloves in addition to the routine ServSafe requirements. Employees must keep physical distancing practices in place during meal production and service. All cleaning supplies used for kitchen, serving line and cafeteria areas will be FDA approved to control the spread of the virus. Training will be arranged for all staff prior to the start of school.

Safety during Meal Service: Everyone will be required to adhere to proper hand hygiene before and after meals and mask changes. All serving lines and designated eating areas will have specific sanitation protocols in place. All food will be served using disposable (compostable when available) containers/condiments and utensils for those eating on campus.

On-Site Campus Meals: Breakfast and lunch will be available in person for Hybrid model students. ALL meals are currently FREE under the Universal Free waiver - *no payments or applications due at this time.*

BREAKFAST: Students will be able pick up grab-n-go breakfast on tables outside of the cafeteria under the tents each day upon arrival beginning at 8:00am. Breakfast can be eaten in designated, socially distanced eating areas outdoors and/or in the cafeteria with seating capacity adhered to.

LUNCH: Grab-n-go meals will be offered as a hot or cold option (including limited numbers of gluten free and vegetarian options). Location for pick up is outside AB Connector, under the tents with social distancing and mask wearing in place. Students riding the LS buses can take lunch with them but CANNOT eat on the bus due to Mask Wearing/Bus Transportation compliance. Students can also eat off campus or outside in common areas.

Remote Learners Meal Service: Curbside pick-up will be available for remote learners with advance ordering (no delivery is available). Meal pick-up will be available at LSRHS on Mondays, Tuesdays and Thursdays from **9:00am-10:30am** by driving to the Service and Delivery road at the front entrance of the school (follow directions to first bay). The service will provide multiple days' worth of meals: Monday's bag will have 1 breakfast and 1 lunch; Tuesday will include 2 breakfasts and 2 lunches (includes Wed.); Thursday's bag will contain 2 breakfasts and 2 lunches to complete the week (includes Fri.). Meals can be pre-ordered by emailing kitchen@lsrhs.net **no later than 8:00am** on Monday for the week.

Remote Campus Meal Service: Delivery will be coordinated for LS Academy and remote METCO students. METCO families will need to order meals in the same process through email and a delivery location will be determined. LS Academy will be delivered on Mondays, Tuesdays and Thursdays during a full week (Tuesday/Thursdays only on Holiday, condensed weeks).
