

From the West or from Rt. 495 Southbound:

- 1 From Rt. 495 Southbound, take the Rt. 117 exit (Bolton).
- 2 Take a right off the ramp, to go underneath the 495 overpass.
- 3 About 1/4 mile down, take a right onto Rt. 85 South.
- 4 (After 3 miles, this will take you to the Hudson Rotary, meeting up with Rt. 62.)
- 5 At the stop sign, take a left onto Rt. 62 East.
- 6 Go around the rotary to stay on Rt. 62 East.
- 7 Take Rt 62 East through Hudson center until the traffic lights a mile outside town where it goes left.
- 8 You go straight ahead (Hudson Road / Sudbury Road).
- 9 Keep on the road for roughly six miles until the traffic lights in the center of Sudbury.
- 10 Turn left there (just after the fire station) onto Concord Road.
- 11 The high school is a mile and a quarter down on the right.
- 12 Take a right at the white sign onto Lincoln Road and then follow the Parking Lot directions above.

From Rt. 9 or Rt. 495 Northbound:

- 1 Take Rt. 495 North to the Rt. 9 East exit.
- 2 Follow Rt. 9 East until you see a Super Stop-n-Shop on your right at a set of lights.
- 3 Get in the right lane, and look for the Egell Road ramp on your right.
- 4 Take that exit to go up the ramp.
- 5 Take a left at the lights to go over Rt. 9.
- 6 Go straight at the next set of lights.
- 7 Stay on Egell Road until it ENDS at a T-intersection.
- 8 Take a right onto Rt. 20 in Sudbury, then a left at that set of lights, heading toward Sudbury Center.
- 9 Go straight through the stop sign, and straight through the next set of lights a mile or so later. (This is Concord Street)
- 10 You'll then go past graveyards on your right and left.
- 11 Lincoln-Sudbury Regional high school is about a mile and a quarter down on your right after the lights.
- 12 Take a right at the white sign onto Lincoln Road and then follow the Parking Lot directions above.

From New Hampshire:

- 1 Rte 495 to rte 2 east.
- 2 Take the rte 27 exit, and take a right at the end of the ramp.
- 3 Follow rte 27 through West Acton and Maynard. (You'll go through 5 sets of lights. At the third set take a left, at the fourth set by Store 24, you'll have to take a right to remain on 27.)
- 4 Follow rte 27 to the stop sign at the T-intersection in Sudbury.
- 5 Take a left, and then a left at the next set of lights onto Concord Rd.
- 6 The High School is a mile and a quarter down on the right.
- 7 Take a right at the white sign onto Lincoln Road and then follow the Parking Lot directions above.

From Rt. 95 (Rt 128):

- 1 Take the Rt. 20 exit (exit #26) in Waltham; this puts you on a rotary.
- 2 Follow the rotary around to take Rt. 20 West.
- 3 After a few miles, take a right at a set of lights onto Rt. 27 (Concord/Sudbury).
- 4 After a few miles after that, take a right at a set of lights onto Concord Rd.
- 5 (If you see a green sign that indicates taking a right to stay on Rt. 27, you've missed Concord Rd.)
- 6 Once you're on Concord Rd., you'll go past graveyards on your right and left.
- 7 The High School is a mile and a quarter down on the right.
- 8 Take a right at the white sign onto Lincoln Road and then follow the Parking Lot directions above.

From Rt. 2:

- 1 Traveling East on Route 2 turn right at the Emerson hospital traffic light.
- 2 Follow this road until it merges at a fork and stop sign.
- 3 You will take the right onto Sudbury Road.
- 4 If traveling West on Route 2 from Lexington turn left at the light just past Arena Farms.
- 5 This is Sudbury road.
- 6 There is a gas station on one corner and not much else at this intersection.
- 7 Stay on Sudbury Road and Cross 117 (a traffic light) and keep going until the road ends at
Pantry Road.
- 8 There is a lovely sign pointing you to the school.
- 9 Take a left turn here and continue until you see the next sign for LSHS or the next possible left
which is Lincoln Road.
- 10 Then you will have multiple signs for each of the school entrances.
