FOR IMMEDIATE RELEASE

May 28, 2013

This morning, the Lincoln-Sudbury Regional School Committee voted unanimously to appoint Bella Wong as interim Superintendent/Principal. The appointment is subject to successful completion of contract negotiations and will be for the period of one year. The School Committee will undertake a search for a permanent Superintendent/Principal in the fall.

"Bella Wong is a good fit for LS for many reasons, most notably her knowledge of LS by virtue of her having been a teacher at the school, her understanding of key policy issues affecting public education, and her experience advocating for capital projects. We look forward to working with her very much," said Nancy Marshall, Chair of the School Committee.

It is expected that Ms. Wong will begin on July 1, 2013.

"We engaged in a rigorous and inclusive search process, which included numerous interviews, a campus visit, and an extensive reference checking process," explained Mrs. Marshall. "The search committee, which included teachers, members of the school committee, an administrator, and a parent, extends its appreciation to all of the candidates for their interest in our school."
